"Joe did a great job on the parts for my Cadillac and made it look better inside & out! He charged a fair price and did it all on time and on budget. Better results than I have got from any other chrome plating shop, we will be dealing with Joe again."

"Awesome work and my rear bumpers for my '72 Stingray came out with a mirror finish. Joe answered every email whether it was during the day, night, or weekend. Top rated shop and customer service. Trust them I do!" James Bagger (ALABAMA)

"Could not find a shop in Denver to re-chrome my 50' Ford bumpers. Looking on the internet I found Reds Parts Attic & Chrome Plating. Joe the owner was wonderful to work with over the phone since I was skeptical about sending my bumpers to Texas. He explained the process they would go through and guaranteed I would be happy. Well, I could not be happier with my bumpers. They did a fantastic job at a very fair price. I highly recommend Reds Chrome Plating."
